DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1, 10, and 19, are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, at lines 11-12, recites "using the resist pattern as a mask, the antireflection film is etched...". Claim 10, at lines 10-11, recites "using the resist pattern as a mask, patterning the antireflection film". Claim 19, at lines 8-9, recites "patterning the antireflection film by using the resist pattern as a mask". . Claim 10, at line 14, recites "removing the resist pattern". Claim 19, at line 14, recites "removing the resist pattern". It is not clear if the recitation (i.e., resist pattern used as a mask, and the resist pattern removed) is referring to the resist pattern formed immediately after the exposure and development process or if the recitation (i.e., resist pattern used as a mask, and the resist pattern removed) is referring to the resist pattern that has been subjected to the post-development etching of the sidewall and top surface of the developed resist pattern i.e., the etched resist pattern mask. Appropriate correction is required.

Allowable Subject Matter

3. Claims 1-2,4,6-12,14-16,19,21-24, and 26, would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

4. Applicant's arguments, see Remarks, filed December 17, 2008, with respect to claims 1-2,4,6-12,14-16,19, 21-24, and 26, have been fully considered and are persuasive. The 103 rejections made in the previous office action (paper no. 20080913) have been withdrawn.
